

# School Directory

School Directory – The office would like to put together a phone directory (listed by class). This would be in place for the individual class lists that have previously been sent out in the past years. In order to put this directory together, we need to have permission from each family to put their information into the directory (similar to the public schools). This directory will only be given to the families in Learning Tree. The purpose of this directory is to set-up play dates, car pools or birthday parties and should not be used for any other reason. If you would like to be part of the directory, please fill out the form below.
